QUOTE

We are happy to inform that the Corporate Center has to-day come out with a circular advising all our Pensioners and Family pensioners about the renewed Medical Insurance Scheme obtained from the United India Insurance Company, after detailed deliberations, in order to ensure that the Pensioners and Family pensioners get a fair coverage.

2. Our members may recollect that one of the subjects taken up in the Central Negotiating Committee Meetings, in particular in the last CNC, was the improvement in medical facilities to the serving staff as well as retired officers. The Federation has been insisting that the Management should take care of the health requirement of our retirees and their spouses since they have given their blood and sweat to the organization during their services in the bank. The premium amount was very high and we insisted upon continuation and enhancement of subsidy. We had also given a number of suggestions to the Management for consideration while deciding about the various provisions for renewing the Medical Insurance Policy. The Bank has considered few of our suggestions and accordingly released a detailed circular which takes care of the subsidy.

3. There are many other issues in respect of the Mediclaim which we are taking up separately for further improvement.

4. We note to keep our members advised of further developments in due course vide e-Circular No. CDO/P&HRD-PPFG/78/2017-18 dated 29th December, 2017.

WISHING YOU ALL A VERY HAPPY NEW YEAR

With greetings,
