Circular No. 2022/27

Date: 13.04.2022

**TO ALL OUR MEMBERS:**

Dear Members,

**FEEDBACK ON HR ISSUES**

The circle association has been continuously taking up the issues concerning our membership with the Management at appropriate levels. Some issues have been resolved, while others are yet to be resolved. We have been regularly updating our membership on these issues through Circulars and 'Bank Officers' mail' (our Bi-Monthly Newsletter).

In order to understand the real pain points concerning a majority of our membership related to HR issues in the Circle and in our pursuit to have realistic and factual response, we have launched a survey on HR issues today. This will help us in knowing the gaps, areas of concerns, deficiencies and possible solutions too, so that we can take up with the Circle management for necessary measures and interventions. We urge upon our circle membership to give wide scale publicity to elicit substantial response from our members for a meaningful assessment.

The link for submitting the Survey response is appended below:

<https://forms.gle/CfsaQiMFriAvo1r39>

The link will be available till 30.04.2022.

Please give your genuine feedback as it will help us take the issues collectively with the competent authorities. All the responses will be recorded as private & confidential and names/ details of participating staff will not be shared without their consent. Please ensure active participation as this will enable and empower us with your valuable suggestions/feedback, and we ensure that it will be effectively taken up.

Yours comradely,

**(Deepak K Sharma)**  
General Secretary
