**Circular No. 2021/47**

**Date: 09.05.2021**

**TO ALL OUR MEMBERS:**

**COVID-19**

**REAFFIRMATION OF OUR PLEDGE TO STAND ALONGSIDE OUR MEMBERS**

We invite a reference to our Circular No. 2020/21 dated 05.05.2020 vide which we informed our members about "**SBIOA: Quick Response Team**" and enhancement in **the amount of ex-gratia to Rs. 4.00 lacs in case any of our members dies from COVID-19 infection.**

You all are aware that our country is grappling with record COVID-19 infections and the challenges posed by the pandemic is spreading its tentacles far and wide. Unfortunate death of any victim of the pandemic does not only snatch a precious life from our midst, but also exposes the family of the deceased to unforeseen & seamless challenges, more so if the victim is the bread earner for the family. The bereaved family has not only to face the tragedy but is also left to fend for itself. It is our sacred duty to remember all those souls who have left us to heavenly abode. We acknowledge their invaluable contribution and pray to the Almighty for the eternal peace of the departed souls.

Being a conscious Association and welfare of our members being our core value, we have a strong desire to reach out to such unfortunate people should, God forbid, any of our members fall victim to the tragedy. Being a part and parcel of the human society at large with added responsibility of serving the teeming millions in our Nation, we understand that our members are at a higher risk of exposure to the deadly pandemic given the fact that they have to render services to almost all sections of the society, handle currency notes and documents which can be potential carriers of the deadly virus. We are totally dismayed with the response of Central and State Governments with regard to vaccination to bank employees on priority basis, therefore, liaison with local administration and health authorities to ensure vaccination of our staff and their family members as soon as possible.

In view of surge in infection throughout the Circle, we have decided to expand our **quick response team** to render assistance to any of our member falling victim to the deadly virus. The members of this team are entrusted with the responsibility to arrange liaison with the Bank Management and the State authorities immediately on receiving information about any of our members contracting the viral infection. As such, we request our members to contact the members nominated to the team in their respective area, should such a need arise. The area-wise list of "**SBIOA: Quick Response Team**" and list of Bank's hospitals is furnished herewith as "Annexure A".

We would like to assure the membership that the Circle Association is alive to the challenges posed by the pandemic and the consequent difficulties being faced by the officers' fraternity in the Circle. We are receiving steady feedback from our members and we welcome all suggestions with an open mind. We are eager to be of as much assistance to our members as is possible and will leave no stone unturned to live up to the expectations of our members.

Sincerely Yours,

**(Deepak K Sharma)**  
**General Secretary**
